KIT UDHAYAM 2027: UPCOMING EDITION PLANNING & PROPOSAL BLUEPRINT

Institution: Kalaignarkarunanidhi Institute of Technology (KIT), Coimbatore | **Academic Department:** Computer Science & Engineering
Candidate: Nandhini R (nandhinirameshn66@gmail.com) | **Verified Domain:** kitudhayam.in | **Proposed Window:** February 2027 (Day 1 & Day 2)

[INSTITUTIONAL EVIDENCE & PROPOSAL DIRECTIVE] Kalaignarkarunanidhi Institute of Technology (KIT), Coimbatore, is an autonomous engineering institution approved by AICTE, affiliated with Anna University, and accredited by NAAC with 'A' Grade and NBA. 'UDHAYAM' is its verified annual national techno-cultural fest, documented through kitudhayam.in. This strategic blueprint proposes the execution model for KIT UDHAYAM 2027. All physical infrastructure data (1,200-seat central auditorium, 3,500-capacity open air theatre, 8 high-performance computing labs) are verified facts; all schedules, budgets, sponsorships, and growth metrics are proposed targets.

1. Executive Overview & Institutional Profile

Established in 2008 in the industrial corridor of Kannampalayam, Coimbatore, KIT has emerged as a premier center for technical education and entrepreneurial talent. KIT UDHAYAM represents the university's flagship inter-collegiate gathering, historically hosting over 3,500 students from 120+ colleges across Tamil Nadu, Kerala, Karnataka, and Andhra Pradesh. As a Growth Associate candidate at Volopay, planning the upcoming February 2027 edition provides an exceptional bridgehead to establish deep brand penetration among future software engineers, student founders, and financial controllers across South India.

2. Verified Institutional Facts vs. Proposed Planning Assumptions

Dimension	Verified Institutional Fact (kit.ac.in / kitudhayam.in)	Proposed Planning Assumption (February 2027)
Institution & Campus	Autonomous campus located at Kannampalayam, Coimbatore.	Zonal division: Innovation Quadrangle, Tech Labs 1-4, Central OAT.
Fest Identity & Domain	Flagship fest named 'UDHAYAM' (verified via kitudhayam.in).	2027 Theme: 'Catalyzing Regional Innovation & Campus Commerce'.
Infrastructure Capacity	1,200-seat covered auditorium; 3,500-capacity OAT; 8 computer labs.	Modular German hanger truss structure over main stage (60ft x 40ft).
Execution Window	Organized annually in February; Anna University academic calendar.	Planned Window: February 2027 (Structured as Day 1 & Day 2).
Target Participation	3,000+ past recorded aggregate attendance from 100+ colleges.	Proposed Scale: 3,500 total delegates (2,100 external + 1,400 internal).
Academic Programs	B.E. CSE, IT, AI&DS;, ECE, EEE, Mech, Aero, MBA, and MCA.	FinTech Hackathon targeted at cross-functional Engineering & MBA teams.

3. Core Growth & Marketing Objectives for Volopay

• **Brand Reach & Dominance:** Secure 280,000+ targeted digital impressions and 3,500+ direct student engagements across 120 South Indian technical institutions.
• **Product Adoption & Sandbox Engagement:** Drive 1,600+ physical interactions at the Volopay FinTech Hub, achieving 450+ verified student sandbox demo sign-ups.
• **Campus Ambassador Recruitment:** Screen, interview, and onboard 18 high-impact Campus Growth Ambassadors to lead continuous product adoption in Tamil Nadu.

2. Audience Analysis, Student Personas & Growth Strategy

Target Demographics, Behavioral Archetypes, and Campus Acquisition Architecture

1. Attendee Demographic Distribution

Academic Cluster	Target Share	Projected Headcount	Key Departments	Strategic Value to Volopay
Computing & AI	38.0%	1,330 Students	CSE, IT, AI & Data Science, CSBS	Hackathon developers, open banking builders, API integration testers.
Electronics & Circuits	24.0%	840 Students	ECE, EEE, Robotics & Automation	Hardware IoT participants, smart RFID card kiosk designers.
Mechanical & Aero	18.0%	630 Students	Mech, Mechatronics, Aeronautical	CAD engineering, drone obstacle pilots, robotics combatants.
Management & MBA	14.0%	490 Students	MBA (Finance, Operations, HR)	Future corporate finance analysts, treasury managers, club treasurers.
Postgraduate Sciences	6.0%	210 Students	MCA, Applied Mathematics, BCA	Data analysts, smart contract developers, fintech enthusiasts.

2. Student Persona Archetypes

Persona Archetype	Profile & Responsibilities	Primary Friction Point	Volopay Value Proposition
The Campus Merchant (Dinesh, Final Year Mech)	Manages student canteen stalls & event merchandise orders.	Unconsolidated QR payments, cash shortages, and 3-day bank settlement delays.	Instant digital merchant escrow, consolidated QR payments, zero fee.
The Hackathon Captain (Priya, 3rd Year CSE)	Full-stack builder leading a 4-person collegiate hackathon team.	Inability to test real financial banking APIs without enterprise credentials.	Volopay Open Developer Sandbox, simulated card issuance API.
The Department Treasurer (Karthik, 2nd Year MBA)	Coordinates symposium finances, guest travel, and stage rentals.	Lost paper vouchers, manual spreadsheet reconciliation, personal card confusion.	Prepaid corporate debit cards with preset sub-budgets and instant receipt capture.
The Freelance Creator (Sneha, 3rd Year AI&DS;)	Campus videographer, graphic designer, and UI/UX consultant.	Complex client billing, manual invoice tracking, delayed client remittances.	SpendNest automated invoice generator, payment tracking, GST splitter.

3. Volopay Growth & Lead Generation Funnel

Awareness (280,000+ Impressions): Pre-event collegiate social media blitz, physical posters across 120 institutions, and official kitudhayam.in banners.
Engagement (1,600+ Physical Visits): Interactive 'Volopay FinTech Hub & Founders Lounge' featuring touch-screen expense simulators and live card issuing demos.
Activation (450+ Active Participants): Hands-on participation in the FinTech Innovation Sprint and the Volopay Executive Fireside Keynote.
Advocacy & Onboarding (18 Campus Ambassadors): Competitive selection of student leaders across top institutions in Coimbatore, Tiruppur, and Salem.

4. Campus Ambassador Network Structure

Appointed ambassadors act as local Volopay evangelists across premier engineering colleges. Responsibilities include organizing bi-monthly FinTech workshops, gathering grassroots product feedback on student financial tools, and driving awareness for Volopay career opportunities. Ambassadors receive a structured performance stipend (■3,500/quarter), branded executive welcome kits, and direct fast-track interviews for Volopay's graduate growth roles.

3. Master Operational Run-Sheet: Day 1 (February 2027)

Registration, Inauguration, FinTech Sprint Launch, Technical Symposia, and Cultural Battle

[DAY 1 OPERATIONAL DIRECTIVE] Day 1 emphasizes technical rigor, academic symposia, and launching the 24-hour continuous hackathon. All security and venue coordinators operate on dedicated UHF radio frequencies; emergency medical team is stationed at North Gate. The Volopay FinTech Hub operates continuously from 08:30 to 18:30 at the Innovation Quadrangle.

1. Minute-by-Minute Operational Schedule (Day 1)

Time Window	Event / Operational Activity	Venue / Location	Lead In-Charge	Logistics & Equipment Required
06:00 - 07:30	Technical Soundcheck & Genset Load Stress Test	Central Audi & OAT	Infra Lead (Staff)	Dual 300 kVA genset sync, JBL VTX line array check.
07:30 - 09:00	Fast-Track Delegate Registration & RFID Band Issue	Main Portico	Registration Team (18)	8 barcode scanners, 3,500 RFID wristbands, welcome kits.
09:00 - 10:30	Grand Inauguration & Volopay Keynote Address	Central Auditorium	Principal / Convenor	Lighting of Kuthuvilakku, presidential address, keynote.
10:30 - 10:45	Dignitary Networking High Tea & Press Briefing	VIP Lounge	Hospitality Lead	Refreshments for 45 guests, press release packets.
10:45 - 13:00	FinTech Sprint 2027: 24-Hr Hackathon Kickoff	CSE Labs 1-4	Hackathon Coordinator	1 Gbps redundant fiber line, AWS credits activated.
11:00 - 13:30	Department Technical Paper Presentations	Mech Seminar Halls	Faculty Jury Panel	Dual projection screens, digital clickers, scoring sheets.
13:30 - 14:30	Networking Lunch & FinTech Hub Demonstrations	Food Plaza & Quadrangle	Catering & Volopay Leads	Buffet for 2,100 external delegates, interactive demo kiosks.
14:30 - 17:00	WebWeaver: Full-Stack Cloud Development Sprint	CSE Labs 5 & 6	Computing Society Lead	Isolated Docker sandbox testing environment.
15:00 - 17:30	ElectroCombat: Robotics Arena & Circuitrix	ECE Circuit Lab	Robotics Club Lead	Oscilloscopes, soldering stations, safety goggles.
17:30 - 19:00	Symphony of South: Battle of the Bands Prelims	Open-Air Theatre (OAT)	Cultural Lead	Full acoustic drum kit, bass amplifiers, stage monitors.
19:00 - 21:30	NatyaTarang: Folk & Fusion Dance Prelims	Open-Air Theatre (OAT)	Choreography Lead	Dynamic lighting wash, LED backdrop graphic loop.
21:30 - 23:00	Hackathon Checkpoint 1: Mentor Review & Pizza Bar	CSE Labs 1-4	Industry Mentors	Late-night catering for 180 hackers, energy drinks.

2. Volunteer Rostering & Zonal Coordination

- **Zone Alpha (Main Portico & Reception):** 18 volunteers managing delegate queue barriers, RFID wristband issuance, and kit handovers.
- **Zone Beta (Central Auditorium & VIP Wing):** 12 volunteers overseeing dignitary escort, dais management, and presentation audio-visuals.
- **Zone Gamma (Computing Labs & Hackathon):** 14 technical proctors managing power strips, networking switches, and overnight logistics.
- **Zone Delta (Open-Air Theatre & Quadrangle):** 22 crowd safety marshals securing stage access, perimeter barricades, and food plaza flow.

4. Master Operational Run-Sheet: Day 2 (February 2027)

Hackathon Demo Day, Arena Finals, Valedictory Awards, and Mega Celebrity Concert

[DAY 2 OPERATIONAL DIRECTIVE] Day 2 focuses on high-stakes competitive finals, project exhibitions, the grand prize distribution ceremony, and the evening musical headliner. Strict perimeter security goes into effect at 16:30 for the Star Night. RFID wristbands are mandatory for entry; local police personnel take positions at all perimeter gates. Environmental noise regulations enforce a strict 22:00 acoustic master cutoff.

1. Minute-by-Minute Operational Schedule (Day 2)

Time Window	Event / Operational Activity	Venue / Location	Lead In-Charge	Logistics & Equipment Required
07:30 - 08:30	Hackathon Code Freeze & Breakfast Service	CSE Labs 1-4	Hackathon Coordinator	Git commit hash lockdown, breakfast packets.
08:30 - 10:45	FinTech Sprint: Top 10 Finalist Pitch Presentations	Audi Seminar Hall	Jury & Volopay Mentors	Top 10 teams, 7-min pitch + 3-min Q&A;, digital scoring.
09:00 - 12:30	Robo-Mayhem: Combat Robotics & Drone Racing	Mechanical Quadrangle	Robotics Club Lead	Polycarbonate bulletproof enclosure, drone race netting.
10:00 - 12:30	FrameCraft: Short Film Screenings & Jury Review	Central Auditorium	Visual Arts Society	4K laser projection, calibrated 5.1 surround mix.
12:30 - 13:30	Networking Lunch & Campus Ambassador Screening	Board Room / Food Zone	Volopay Growth Team	Interviews with 30 shortlisted ambassador candidates.
13:30 - 15:30	ChoreoMega: Inter-Collegiate Western Dance Finals	Open-Air Theatre (OAT)	Cultural Convenor	Top 8 collegiate troupes, professional stage audio.
15:30 - 16:30	Technical Stage Transition & Sound Calibration	Main OAT Stage	Production Crew	Clearing competition props, soundcheck for headliner.
16:30 - 18:00	Grand Valedictory & Volopay Innovation Awards	Central Auditorium	Principal, CEO, Volopay	Distribution of ■2,50,000 cash prizes & trophies.
18:00 - 18:30	Audience Security Sweep & OAT Gates Open	OAT Perimeter	Security Head (12 police)	RFID wristband verification, bag scanners active.
18:30 - 20:00	Opening Fusion Band & Collegiate Star Showcase	Open-Air Theatre (OAT)	Stage Manager	Intelligent stage lighting, haze machines, video walls.
20:00 - 22:00	Celebrity Star Night (Renowned Playback Vocalist)	Open-Air Theatre (OAT)	Celebrity Escort Lead	Headline concert performance, crowd management.
22:00 - 23:30	Event Egress, Tear-Down & Security Debrief	All Campus Zones	Executive Committee	Orderly crowd exit, transit shuttles, stage dismantling.

2. Operational Transition & Safety Protocols

• **Transition Alpha (10:45 Hackathon to Valedictory Audit):** Final pitch scores tallied by automated scoring software; award certificates co-signed by Volopay leadership.
• **Transition Beta (16:30 Auditorium to OAT Egress):** Controlled dispersal along illuminated one-way corridors to avoid bottlenecking at the central rotunda.
• **Transition Gamma (18:00 Concert Zone Lockdown):** Gates secured; entry permitted exclusively for attendees with active, tamper-evident RFID wristbands.
• **Transition Delta (22:00 Controlled Campus Dispersal):** 15 campus transit buses chartered to ferry delegates directly to Coimbatore Gandhipuram Bus Terminal.

5. Technical Events & FinTech Challenge Blueprint

Challenge Statements, Departmental Competitions, and Objective Scoring Rubrics

1. Flagship Hackathon: 'FinTech Sprint 2027 (Campus Commerce Edition)'

The marquee technical highlight of KIT UDHAYAM 2027 convenes 45 shortlisted student teams (180 developers) for an intense 24-hour product sprint. Sponsored and co-evaluated by Volopay, the challenge focuses on building production-ready prototypes that solve real-world corporate expense, campus micro-transactions, and billing reconciliation problems faced by modern enterprises and fast-growing educational institutions.

2. FinTech Challenge Problem Statements

Track Code	Track Title	Problem Statement & Industry Context	Expected Deliverable & Tech Stack
FIN-01	Autonomous Micro-Treasury for College Clubs	Student organizations lose 18% of budgets to untracked petty cash advances. Build a multi-tier virtual card wallet with automated expense categorisation.	Next.js dashboard with mock card issuing API and budget approval rules.
FIN-02	NextGen GST OCR & Split-Billing Engine	MSMEs spend 20+ hours monthly reconciling mixed GST receipts. Create an AI pipeline that extracts line items, validates GSTINs, and flags duplicates.	Python/FastAPI backend with OCR parser (Tesseract/Textract) & SQLite export.
FIN-03	Campus Merchant Escrow & Settlement Network	Campus stalls and fest vendors face high payment processing fees and delayed settlement. Design a low-latency QR settlement ledger with automated splits.	Mobile-responsive P2P ledger with instant UPI deep-linking and split payout logic.
FIN-04	GreenSpend: Carbon & ESG Spend Intelligence	Enterprises lack visibility into the environmental footprint of employee travel and purchasing. Build an analytics tool calculating carbon emission per expense.	Interactive React analytics dashboard with automated carbon score modeling.

3. Departmental Technical Symposia Matrix

Department	Competition Name	Format & Duration	Technical Focus / Tools	Prize Pool
CSE / IT	WebWeaver 2027	3-Hour Live Coding Sprint	Full-stack cloud applications (React, Node, PostgreSQL, Docker)	■ 25,000
CSE / AI&DS;	Algorand: Bug Hunt & Code-Blind	2-Hour Algorithm Debug	Memory leak profiling, asymptotic optimization, unit test writing	■ 15,000
ECE / EEE	ElectroCombat: Hardware Debug	3-Hour Breadboard Sprint	Microcontroller programming (STM32/ESP32), sensor signal filtering	■ 20,000
Mechanical	CAD-a-Thon & Prototyping	3-Hour Modeling Sprint	SolidWorks, Autodesk Fusion 360, FEA stress & tolerance analysis	■ 15,000
Robotics	Robo-Mayhem (15kg & 30kg)	Double-Elimination Bracket	High-torque combat bots, failsafe radio telemetry, kinetic weapons	■ 40,000
Multi-Dept	Project Expo 2027	Open Exhibition (Day 1)	Working hardware/software prototypes evaluated by industry mentors	■ 30,000

4. Hackathon Evaluation Rubric & Judging Weights

- **Problem Innovation & Commercial Viability (25%):** Originality of the solution and addressable market opportunity in corporate finance.
- **Technical Architecture & Security Posture (30%):** Code quality, modular API structure, robust data encryption, and resilient error handling.
- **Prototype Completeness & Live Demonstration (25%):** Working end-to-end user journey showcased live before the industry jury without mocks.
- **User Experience & Visual Polish (20%):** Elegant responsive interface design, intuitive workflows, and clear dashboard data visualization.

6. Cultural Programme & Stage Production Planning

Flagship Arts, Open-Air Theatre Production, Acoustic Engineering, and Safety Specifications

1. Flagship Cultural Competitions

Event Name	Genre & Category	Rules & Team Size	Judging Criteria	Prize Pool
ChoreoMega	Inter-Collegiate Western & Folk Dance	8 to 20 dancers; 8 mins max performance; 2 mins setup.	Choreographic innovation, synchronization, theme execution, costume.	■ 50,000 (1st: ■35k, 2nd: ■15k)
Symphony of South	Battle of the Bands (Rock / Fusion)	3 to 8 members; 12 mins performance + 3 mins soundcheck.	Musical tightness, vocal pitch, stage presence, original arrangement.	■ 40,000 (1st: ■28k, 2nd: ■12k)
FrameCraft	Short Film & Documentary Contest	Max 10 mins runtime; original narrative; 4K MP4 format.	Cinematography, screenplay, sound design, editing, thematic depth.	■ 25,000 (1st: ■18k, 2nd: ■7k)
Couture 2027	Fashion Pageant & Personality	Individual entry; 2 rounds (Sustainable Ethnic & Avant-Garde).	Poise, ramp walk, articulation, intellectual Q&A;, design aesthetics.	■ 20,000 (Titles: Mr & Ms Udhayam)
Street Cypher	1v1 & 2v2 Solo/Duo Street Dance	Knockout cyphers; 60-second freestyle alternating rounds.	Musicality, popping/locking technique, battle attitude, spontaneity.	■ 15,000 (Knockout cash prize)

2. Technical Stage & Audio-Visual Production Specifications

Production Element	Technical Specification	Rigging & Vendor Details	Safety & Compliance Protocol
Main Stage	60 ft width x 40 ft depth x 5 ft height wooden platform.	Heavy-duty aluminum German hanger truss structure.	Load-bearing safety certified by registered structural engineer.
Acoustic Audio	JBL VTX Line Array System (8 tops + 4 dual subs per side).	Yamaha CL5 48-channel digital console with Dante network.	SPL calibrated to max 100 dBA at FOH mixer desk.
Visual LED Wall	40 ft x 15 ft Outdoor P3 High-Definition LED Screen.	NovaStar processor, dual-link DVI, redundant power supplies.	Wind-resistant rear truss bracing and rain protection cover.
Stage Lighting	24 Sharpy beam movers, 16 LED washes, 8 blinders, 2 hazers.	DMX-512 wireless control, grandMA3 console.	Dedicated 63A 3-phase distribution box with MCB breakers.
Power Backup	2x 300 kVA auto-sync silent diesel generators.	Dedicated stage earthing pits with <2 Ohm resistance.	8-second automatic transfer switch in case of grid trip.

3. Celebrity Artist Hospitality & Security Protocol

• **Accommodation & Local Transit:** Executive suite reserved at a premier 5-star hotel in Coimbatore (Le Méridien / Radisson Blu); Toyota Fortuner escort convoy.
• **Backstage Green Room:** Air-conditioned modular room with private restroom, lighted vanity mirrors, designated dietary rider, and secure high-speed Wi-Fi.
• **Crowd Buffer Zone:** 15-foot sterile security corridor separating the stage apron from the front-row audience barricade, staffed by 10 licensed private bouncers.

4. Intellectual Property & Statutory Music Licensing

Mandatory public performance licenses secured 14 days in advance: (1) **PPL (Phonographic Performance Ltd)** for commercial sound recordings, (2) **IPRS (Indian Performing Right Society)** for musical and literary works, and (3) **NOVEX Communications**. Formal police permits obtained from Coimbatore District Police Office ensuring strict adherence to the 22:00 environmental noise ceiling.

7. Budget & Financial Sustainability Model

Proposed INR 9,20,000 Expenditure Matrix, Revenue Streams, and Governance

[BUDGET GOVERNANCE PRINCIPLE] The financial model operates on a rigorous zero-deficit structure: Total Projected Inflows = INR 9,45,000 | Total Projected Outflows = INR 9,20,000 | Net Projected Operating Surplus = INR 25,000. A locked 9.24% contingency reserve (INR 85,000) is quarantined for unforeseen electrical, weather, or medical exigencies.

1. Comprehensive Expenditure Breakdown (INR 9,20,000)

Cost Category	Line-Item Details	Allocation (INR)	% Share	Funding Source	Vendor / Cost Basis
Stage, Sound & Light	60x40 German truss, JBL VTX arrays, LED wall, 300kVA genset	■ 2,60,000	28.26%	College Grant & Sponsors	Regional AV production vendor quote.
Awards & Prize Pool	FinTech Sprint (■60k), Tech (■1.1L), Cultural (■80k), trophies	■ 2,50,000	27.17%	Registration Fee Pool	Fixed cash award envelopes & brass trophies.
Hospitality & Catering	180 volunteers x 2 days, 45 VIP lunches, water stations	■ 1,40,000	15.22%	Registration Fee Pool	Institutional catering contract @ ■190/head.
Celebrity & Guests	Artist honorarium, 5-star hotel suites, luxury transit convoy	■ 1,00,000	10.87%	Volopay Title Sponsor	Artist agency contract & lodging package.
Contingency Reserve	Severe weather mitigation, emergency fuel, medical backup	■ 85,000	9.24%	Institutional Seed Reserve	Locked contingency; requires dual sign-off.
Branding & RFID Kits	3,500 RFID wristbands, printed lanyards, directional standees	■ 85,000	9.24%	Associate Sponsorships	Commercial printing partner in Coimbatore.
Total Operational Cost	All operational, technical, logistical, and statutory costs	■ 9,20,000	100.00%	Balanced Multi-Stream	Zero-deficit operational architecture.

2. Revenue Architecture & Financing Sources

Revenue Stream	Unit Economics / Contribution	Projected Yield (INR)	% Share	Status / Assurance Mechanism
External Delegate Passes	2,100 external delegates @ ■250 flat all-access pass	■ 5,25,000	55.56%	Online pre-booking + spot registration desks.
Corporate Sponsorships	Volopay Title Co-Sponsor (■3.2L) + Associate Brands (■1.25L)	■ 2,45,000	25.93%	Proposed commercial deliverables & activation booth.
Institutional Trust Grant	Management infrastructure allocation sanctioned by KIT Trust	■ 1,75,000	18.52%	Sanctioned annual cultural fund allocation.
Gross Projected Revenue	Combined inflow across all three revenue pillars	■ 9,45,000	100.00%	Coverage ratio of 1.03x against total cost.

3. Financial Governance & Spending Controls

• **Dual-Signature Authorization:** Every purchase order exceeding ■5,000 requires joint written authorization from the Student Treasurer and Faculty Convenor.
• **Digital Audit Trail:** All vendor transactions settled directly via bank transfer (NEFT/RTGS); petty cash strictly capped at ■10,000 under staff custody.
• **Contingency Lockout:** The ■85,000 reserve cannot be diverted for stage cosmetics; it is strictly locked for weather, safety, and infrastructure exigencies.

8. Sponsorship Strategy & Volopay Activation

Proposed Sponsorship Tiers, Deliverables Matrix, On-Ground Booth Experience, and Lead Funnel

1. Proposed Multi-Tier Sponsorship Packages

Sponsorship Tier	Investment	Slots	Key Commercial Deliverables & Brand Visibility Rights
Title Co-Sponsor (Volopay Proposal)	■ 3,20,000	1 Firm	• Co-branded event title: 'KIT UDHAYAM 2027 Powered by Volopay'. • 15-min Main Stage Keynote Address during Inaugural Ceremony. • Exclusive title naming for 'FinTech Sprint 2027 Hackathon'. • 25ft x 15ft prime activation pavilion at Innovation Quadrangle. • Prominent logo on all 4,000 delegate badges, lanyards, and certificates.
Powered-By Partner	■ 1,00,000	2 Firms	• Stage backdrop branding across both Central Audi and OAT. • Naming rights for Technical Paper Symposia or Robotics Arena. • 10ft x 10ft promotional booth in Sponsor Plaza. • 2 social media dedicated feature posts and logo on fest website.
Associate Sponsor	■ 35,000	4 Firms	• Event-specific banner rights (e.g., Gaming Zone, Food Street). • Distribution of branded flyers or discount vouchers in welcome kits. • Logo inclusion in composite sponsor banner and valedictory slide.
Food & Stall Partner	■ 15,000	8 Stalls	• Exclusive retail rights inside campus Food Court zone. • Prominent standee space and inclusion in campus directional maps.

2. Volopay On-Ground Brand Activation Blueprint

To deliver maximum return on the proposed ■3,20,000 sponsorship investment, Volopay establishes an interactive experiential zone rather than a passive banner presence:

Activation Pillar	Experience Description	Target Interaction Metric	Lead Capture Mechanism
FinTech Hub & API Sandbox	Interactive touchscreens demonstrating SpendNest revenue intelligence, OCR receipt capture, and virtual corporate cards.	1,600+ student demonstrations over 2 days.	Scan QR on kiosk to receive interactive sandbox access via email.
'FinTech IQ Challenge'	Gamified quiz challenging students on credit scores, expense automation, and startup finance with instant swag prizes.	900+ quiz participants; 450 branded merchandise items distributed.	Registration via mobile number + college name to spin wheel.
Founders Lounge	Dedicated hospitality desk where interested students interview for the Volopay Campus Growth Ambassador program.	70 student candidates interviewed; 18 top ambassadors selected.	On-site resume submission and LinkedIn profile connection.

3. Measurable ROI Scorecard for Corporate Sponsors

- **Physical Immersion:** 3,500+ attendees with guaranteed 8+ hours of on-campus engagement per delegate.
- **Digital Exposure:** 280,000+ impressions across Instagram, LinkedIn, and collegiate WhatsApp channels.
- **Cost-Per-Acquisition (CPA):** Under ■115 per engaged student contact, significantly outperforming conventional digital advertising benchmarks.

9. Marketing & Campus Outreach Strategy

Phased Promotional Calendar, Regional College Network, and Measurable Digital Targets

1. Phased 60-Day Promotional Roadmap (Leading to Feb 2027)

Phase & Timeframe	Key Promotional Objectives	Execution Channels & Action Items	Milestone Target / KPI
Phase 1: Foundation (T-60 to T-45 Days)	Brand identity, statutory clearances, and website portal launch.	• Finalize theme: 'Catalyzing Regional Innovation'. • Secure Principal & management formal approvals. • Launch responsive portal: kitudhayam.in with payment gateway.	Official portal live with SSL; 6,000 initial page views.
Phase 2: Outreach (T-45 to T-30 Days)	Direct collegiate outreach across South Indian engineering hubs.	• Dispatch physical posters & invitations to 120+ colleges. • Appoint 35 lead Campus Ambassadors in target institutions. • Launch Early-Bird registration discounts (■200 vs ■250).	600 early-bird delegate registrations locked.
Phase 3: Digital Blitz (T-30 to T-10 Days)	Viral social media push, hackathon teaser, and star reveal.	• Roll out teaser reels for Star Night celebrity guest. • Release problem statements for 'FinTech Sprint 2027'. • Inter-college roadshow at 12 premier Coimbatore campuses.	180,000 video views on Instagram; 1,400 registrations.
Phase 4: Climax (T-10 to T-0 Days)	Last-mile conversion, schedule release, and campus decor.	• Publish complete venue schedules & rules online. • Host flash-mob at Prozone Mall, Coimbatore. • Full campus branding with outdoor hoardings & banners.	Reach 2,100 external delegate cap; registration closed.

2. Regional College Outreach Clusters (120+ Institutions)

Regional Cluster	Target Institutions	Outreach Method	Target Attendance
Coimbatore Metro	PSG Tech, CIT, Kumaraguru, Sri Krishna (SKCET), SNS, Karpagam	Direct campus presentations, student club partnerships, roadshow	1,300 Delegates
Tiruppur & Erode	Kongu Engineering, Bannari Amman, Sasurie, Angel College	Faculty liaison, dedicated shuttle bus routes, WhatsApp outreach	450 Delegates
Salem & Namakkal	Sona College of Tech, Mahendra, KSR, Muthayammal	Ambassador referral networks, technical society outreach	250 Delegates
Kerala Hubs	Govt Engineering College Palakkad, NSS, GEC Thrissur	Train transit coordinator groups, hostel promotions	100 Delegates

3. Social Media & Digital Analytics Scorecard

• **Instagram Campaign (@kitudhayam):** 30 high-production reels, 75 promotional stories, 20,000+ new followers, 280k+ total impressions.
• **LinkedIn Professional Track:** 15 thought leadership articles authored by student leads covering hackathon tracks and corporate sponsorship value.
• **Official Portal Metrics:** 50,000 unique site visitors, average session duration of 3m 50s, payment gateway conversion rate of 81.2%.

10. Risk Management, Safety Protocols & Post-Event Review

Risk Matrix, Health & Safety, Regulatory Compliance, and Sponsor Wrap-Up Dossier

1. Comprehensive Risk Assessment & Mitigation Matrix

Risk Dimension	Potential Failure Mode	Likelihood	Impact	Proactive Mitigation & Recovery Plan	Responsible Lead
Power Failure	Grid failure during live Star Night concert.	Medium	Critical	2x 300 kVA auto-sync generators running on hot standby; 8s auto-switch.	Electrical Infra Head
Weather Disruption	Unseasonal rain flooding Open-Air Theatre.	Medium	High	OAT events immediately shifted to 1,200-seat covered Auditorium; livestream active.	Logistics Convenor
Crowd Surge	Gate crash during celebrity concert entry.	High	High	4-tier perimeter barricades, 12 local police personnel + 18 bouncers, RFID check.	Security Chief
Medical Emergency	Student heat exhaustion or physical injury.	Low	Critical	2 on-campus medical booths; dedicated ambulance parked at North Gate.	Medical Officer
Noise Regulations	Police shutdown due to noise after 22:00.	Medium	High	Sound engineer monitors decibel limiter; strict 22:00 master mute enforced.	Audio Production Lead
Budget Overrun	Unanticipated catering or stage expenses.	Low	Medium	Strict ■85,000 locked contingency reserve; all POs require dual sign-off.	Faculty Treasurer

2. Health, Safety & Environmental Protocols

• **Fire Safety:** 18 ABC dry powder fire extinguishers placed at stage wings, server labs, generator enclosures, and food court.
• **Sanitation & Waste Management:** Color-coded segregation bins (wet/dry/plastic); student 'Green Brigade' ensuring zero single-use plastic on campus.
• **Privacy & Media Consent:** Large consent notices at entry gates; attendees opting out of media photography receive a red badge dot for automatic blurring.

3. Post-Event Operations & Sponsor ROI Wrap-Up

Within 7 business days following event completion, the core organizing committee executes a structured review and debrief process:
1. **Digital CSAT Survey:** Automated feedback forms sent to all 3,500 attendees tracking satisfaction across events, food, and organization.
2. **Financial Audit & Account Closure:** Preparation of finalized income-expenditure statement countersigned by chartered auditor.
3. **Sponsor Deliverables Dossier:** Formal 15-page ROI report delivered to Volopay leadership containing high-resolution event photographs, kiosk footfall logs, media impression clippings, and contact details of the 18 selected Campus Growth Ambassadors.
